Lesson Sequence	Time Allocation	Key Question/W ALT	Teaching Activities	Resources
Lesson 1	1 hour	<p><b>WALT:</b>  express ourselves through music using technology</p>	<p>Children will have last explored music through technology in year 1 using basic apps.</p> <p>Today is an introductory lesson for the children to get excited about music making through technology.</p> <p>Children will need to load google music lab on the laptops or I pads. There is a huge range if things for the children to explore on this to make music.</p>  <p>Today give the children an opportunity to explore all of these different programs and see which they like. Good ones to focus on would be:</p> <p><b>Kandinsky</b> (where children can draw and it comes up with sounds)</p> <p><b>Melody maker</b> (where children using coloured blocks can make simple melodies, which is similar but a step up from the year 1 teaching)</p> <p>Then if using I pads allow the children to share their creations to the IWB and evaluate each other's work.</p> <p>Record some samples and put onto the Padlet.</p>	<p><a href="#">Laptops</a></p> <p><a href="#">Google Music Lab</a></p>

Lesson 2	1 hour	<p>WALT: create rhythms digitally</p>	<p>After last lesson when children will have been able to explore different music making apps, today they will focus on making simple rhythms, which also links with their music skills of creating basic rhythms and playing them back.</p> <p>Load Google Music Lab and concentrate on the rhythm app.</p>  <p>Withing this there are 4 different rhythms types the children can make with different instruments:</p>  <p>Go over with children what a rhythm is and keeping a continus beat. Children then create their rythms and share with the class.</p> <p>You could extend this by getting precussion instruments and children joining in with their new rhythms.</p>	<p>Google Music Lab</p> <p>Percussion instruments (optional)</p>
