

In Art we will be:

- Investigating portraits by looking at a variety of artists
- We will be using a range of different art materials
- Creating our own portrait

In Computing we will be focussing on:

- Programming skills

Parents Notice Board.

- Please ensure your child has their reading book in school every day.
- Please remember that your child needs their PE kit on Monday
- Please ensure that homework is completed by Thursday on Class Dojo.
- Remember to go on TTrackstar as often as you can

Thank you.

How does the
Geography of
Kampong Ayer
compare with the
geography of where I live?

Year 2
Geography
Summer 1

June – July
2022

Our Entry Point...

As an introduction to our topic, we will be:

- Understanding the role of Citizenship and create our own Passports showing how these help us travel.

In English we will be exploring and creating:

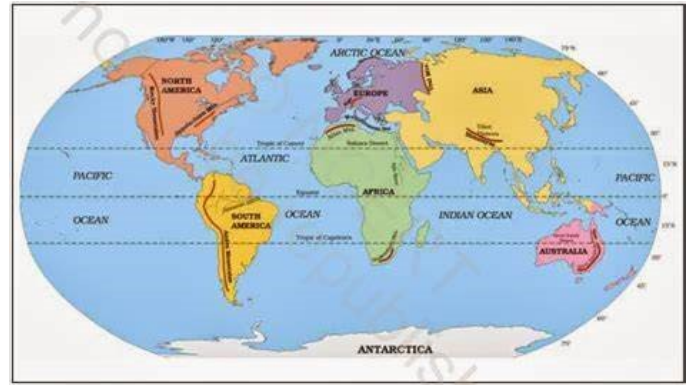

- Instructional writing
- Letter writing
- Story writing

In Mathematics we will be:

- Multiplication and division
- Place value, addition and subtraction
- Measure time
- Measure weight, volume and temperature
- Position and direction

In Science we will be:

- Investigating habitats
- Looking at life processes in different living things.

In Geography we will be:

- Identify and describe the location you live in.
- Compare our location with that of Kampong Ayer.
- Use different maps and scales identify time differences and estimate distances between locations
- Identify, describe and observe the types of traditional homes that are found in Kampong
- compare and describe the weather
- observe how weather and temperature changes from the equator

In PSHE we will be:

- Exploring our topic of Money and Me.
