

# Art and Design Summer 2—Express Yourself

You ...

What is your personality like? How would you describe yourself? Do you have any interests or passions?

creative adventurous helpful friendly shy clever co-operative dramatic hard-working cheerful neat sporty bold kind funny quiet

vocabulary

1	Express	Ways that we express ourselves
2	Clothing	How do you express yourself by what you wear...
3	Animating	Representing emotions in drawing.
4	Enphase	Artist draw eyebrows and eyes larger to emphasises the emotions of the characters.
5	Sculpting	Creating body image to represent emotions.
6	Micrography	using line and fonts to create artwork.
7	Synesthesia	When artists make connections with what they see and hear.

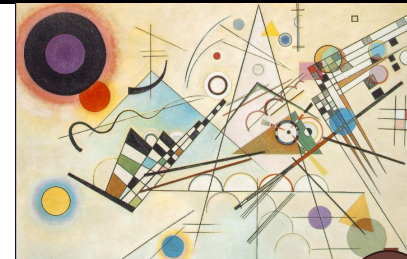

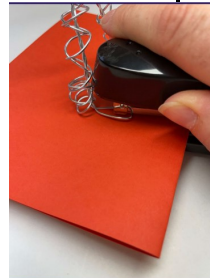

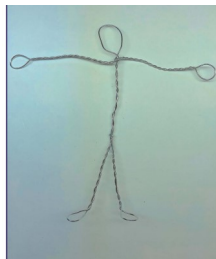

Express yourself

Everyone expresses themselves in different ways. Do you express yourself in any of these ways?

Any hobbies you have. The clubs or teams you belong to. Your school bag or lunchbox. How you decorate your space.

The music you listen to. The clothes you wear. Films you enjoy.

tech-

Do you agree with Kandinsky's colour theory?

Colour	Linked ideas
Yellow	warm, cheeky and exciting, disturbing for people, attack, madness
Green	peace, stillness, passive, calmness, can become boring
Blue	peaceful, supernatural, deep, the lighter it is, the more calming it is
Red	restless, glowing, alive, warm, joy, energy, triumph, passion
Orange	radiant, serious, healthy
Violet	sad, morbid
White	silence, joy, spotless, cleanliness
Black	immovable, flat, grief
Grey	hopeless, motionless

Brass instruments were yellow in colour, flutes were light blue and low-pitched, bass instruments were red.
