

Truthfulness

I think truthfulness means to not disobey or betray anyone also to be honest what you say. Truthfulness also means to me not lie as you speak to someone and not to hide anything from your loved ones.

Truthfulness is about when someone doesn't listen to God.

An example of this in the bible is Adam and Eve (the 2 first humans to live on earth.) Adam and Eve were told not to touch the apple of the tree but disobeyed that person and still ate the apple. They felt wrong and regretted it.

The lesson teaches us not to disobey anyone. This story also teaches me to not to disobey anyone. This story also teaches us and me not to disobey if a person says yes or no.

Another story about truthfulness that I have learnt from is when Judas betrayed Jesus. Since Judas was told to betray Jesus. Since Judas traded 30 silver coins to get rid of Jesus.

This story teaches me to never hide things behind your loved ones and to choose love over money.

Abraham and Isaac

"Abraham!" The voice of God called.
"Take your son, your only son Isaac. I know how much you love him, and this is why I ask you to do this difficult thing. I want you to give Isaac back to Me."⁹

I think truthfulness is all about telling the truth and never telling lies because if you keep on lying and then tell the truth they won't believe you.

Thursday 21st February

In the story of Adam and Eve Jesus told them not to eat the fruit on the tree. If they would eat the fruit they will realise that they are naked. Adam and Eve did not listen to Jesus so the eagle all. Jesus told they would have to leave the garden.

The moral of the story is to always obey the lord.

I think that truthfulness means to be honest and never tell lies to important people.

Abraham and Isaac

"Abraham!" The voice of God called.
"Take your son, your only son Isaac. I know how much you love him, and this is why I ask you to do this difficult thing. I want you to give Isaac back to Me."

I think truthfulness is all about telling the truth and never telling lies because if you keep on lying and then tell the truth they won't believe you.

Truthfulness

Truthfulness is about not telling lies and tell ~~the~~ the truth. But if you tell lies you can ask God to forgive your sins.

Adam and Eve

Adam and Eve were in the garden of Eden until a serpent came and said to eat the apple. She said that God said that she and Adam can't eat the apple. The ~~serp~~ serpent said "eat the apple then you would be smarter than God." Then she ate the apple and gave it to Adam. Then he ate it and then God came in the garden and kicked them out.
