

## **Family Learning.**

**Family Learning is a great opportunity to work, learn and play alongside your child. These sessions are informal and are linked to a range of different areas of the school curriculum such as Maths and English with a purposeful focus on Health and Well-being for children and the whole family.**

**Activities that took place last year included: - story- telling, crafts, maths investigations, cooking, keeping healthy and a wonderful Forest School Experience Day at Kingswood.**

**The Family Learning sessions are open to children in Reception, Year 1 and Year 2; younger siblings are also welcome to come along.**

**You will find Family Learning at The Adventure Playground, Ward Street on Thursdays 1:30 –3:30pm.**

**Make new friends, learn new skills, be creative, work together by supporting each other to have fun.  
Come and join us!**

**Please book a place for yourself and your child by ringing the school office on 01902 558690**
