

# Interhouse Football

## Autumn 2022

During the first half term of the year, Mr Harris and Mr Franks organised an interhouse football tournament for the children of year 6. Children were selected based on behaviour and interest in football. There was an equal split of boys and girls and children of different abilities and backgrounds were selected to participate. Children were organised in to our 4 houses: Stonefield, St Leonards, St Edwards and Hickman. Each team got 3 points for a win, 2 for a draw and 1 for a loss.

Once the tournament started, it was clear that the children were going to enjoy it and play in a competitive spirit. Each team played each other twice in 6 minute matches. After all of the games had finished, the scores were as follows:

Team	Win	Draw	Loss	Goal Difference	Points
St Leonards	2	4	0	+5	14
Hickman	3	2	1	+2	14
Stonefield	2	2	2	-2	12
St Edwards	0	2	4	-5	8

In a very close tournament, St Leonards won the interhouse football tournament on goal difference.

Well done to all of those who participated!
