

In Art we will be:

- Studying significant artists
- Gaining an understanding of who Leonardo da Vinci was and what he was famous for during the Renaissance
- Exploring his portrait paintings and drawings
- Looking at his use of perspective and composition in his religious paintings.

In RE we will be learning about:

- Sikhism
- How Sikhs show their commitment to God

### Parents Notice Board.

- Please ensure your child has their reading book in school every day.
- Homework will be set online on a Friday. This needs to be completed by Monday the following week. Children without access at home will receive paper copies.

Thank you.

# Go with the flow

Year 5  
Topic  
Summer 1

April - May 2021

## Summer Term 2021

### In English we will be exploring:

- Stories by significant authors
- Exploring poetry
- Persuasive writing
- Writing biographies and autobiographies

### In Maths we will be extending our knowledge of:

- Place Value, including negative numbers
- Addition and subtraction
- Multiplication and division
- Properties of shape including finding missing angles
- Problem solving apply all four operations.

### In Science we will be learning about:

- Forces, within our topic—Feel the force!
- What are forces and how do they affect the movement of an object.
- Why does an object fall?
- Discovering gravity
- Isaac Newton
- Weight and mass
- Air resistance and water resistance

### In Geography we will be:

- Discovering what a river is and how it is formed.
- Exploring the significance of vocabulary related to rivers (meander, estuary, source, glacier, oxbow lake...)
- Discovering how a river is always changing, exploring the 3 Stages of a river.
- Locating UK rivers on a map
- Studying rivers around the world
- How people impact on the flow of a river and the reasons for this (dams, hydro-electricity...)
- Investigate hydro-electricity as an alternative source of energy.
